

VISION PANEL KIT

Trafalgar Vision Panel Kit is a fully tested and approved, system for providing vision through fire rated doors. Combining Trafalgar's extensive knowledge of fire doors and innovative product development, Trafalgar Vision Panel Kits are available in a range of standard sizes to suit both mini and maxi fire doors.

Each Trafalgar Vision Panel Kit includes the following components:

- Pair of frames (in standard sizes to suit either mini or maxi fire doors)
- Glazing tape
- Screws (to suit either mini or maxi fire doors)
- 6mm fire rated glass

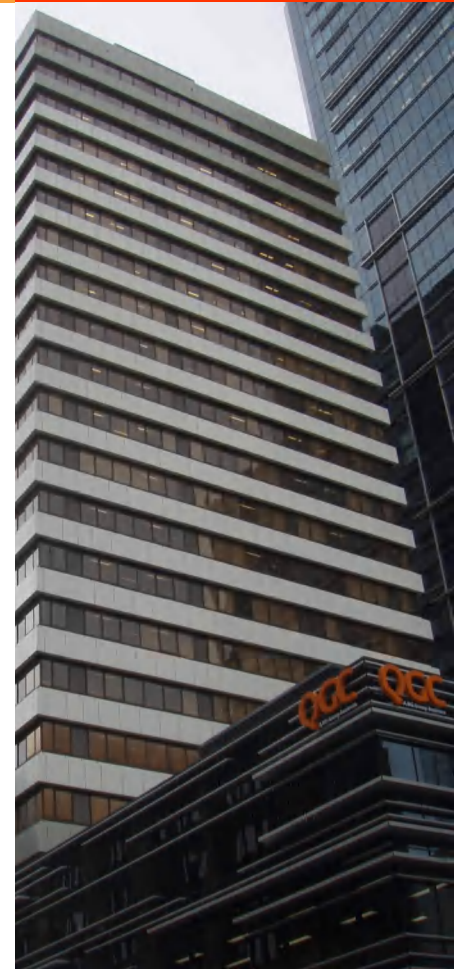

APPLICATION

The Trafalgar Vision Panel Kit is fitted to fire tested and proprietary fire doors to allow vision through them. The kit contains all components for a complete installation as tested to AS1530.4-2005 in accordance with AS1905.1. Suitable for indoor use only.

Standard sizes include:

- 300 x 200mm
- 450 x 120mm
- 600 x 100mm
